achievements spotlight the power of human potential and how tapping into it can ultimately lead to greater innovation, creativity and progress for the nation.

Collaboration with Ministry of Finance

In 2022, Hasanah together with the Ministry of Finance, launched the Hasanah Special Grant 2022 (HSG2022), an amplification of its existing grants programme that enables the support of more partners across societal and environmental causes. From addressing learning loss in schools to boosting income for micro-entrepreneurs under Program Perumahan Rakyat (PPR), safeguarding heritage textile motifs to protecting our Malayan tigers by empowering the Orang Asal indigenous community, HSG2022 aims to ignite new possibilities by tapping into Malaysia's rich well of human potential.

Arts for All Seasons

Hasanah's Arts for All Seasons (ArtsFAS) has grown to be the largest grant programme for arts, heritage and culture in Malaysia.

2022 was a record-breaking year for the grant, with the awarding of a total of RM4.15 million in programme funding and economic opportunity. Jointly with the Ministry of Finance, ArtsFAS brought to life 107 shows and performances around Malaysia, supporting the livelihoods of 3,332 local artists and performers in the process.

Hasanah Social Enterprise Fund

In another breakthrough achievement, Hasanah and the Ministry of Finance jointly debuted the Hasanah Social Enterprise Fund 2022 (HSEF2022), in which RM4.64 million was approved to 32 Social Enterprises, scaling up their capability and capacity. HSEF2022 marks the first time that Hasanah is awarding 100% of its organisational development fund to social enterprises.

The inaugural fund has enabled partners to grow their organisations further and enhance their overall impact, with funding going towards hiring talent and investing into new machineries and tools for their businesses, thus driving their long-term sustainability.

By providing partners with training, mentoring, and access to resources, Hasanah empowers changemakers to be better equipped to deliver scalable, successful programs that result in greater social and environmental impact for the communities they serve across Malaysia. Moreover, by strengthening the structural capacity of their partners, Hasanah is building a more sustainable social enterprise ecosystem – a step forward in professionalising Malaysia's social impact scene and attracting more talent into the sector.

Partnerships Beyond Everyday Grants

Reintroduced as GLIC/GLC Demi Rakyat dan Negara (GDRN) in March 2022, GDRN is a coalition of GLICs and GLCs that aims to deliver coordinated social impact on a large scale, and encompasses three impact areas: Jalinan Ilmu, Jalinan Sejahtera and Jalinan Kemanusiaan.

In 2022, the 13 GDRN members contributed RM38.7 million to humanitarian initiatives, benefitting 38,442 families, 56,630 individuals and 30 institutions. Yayasan Hasanah and Yayasan TM currently serve as the Co-Secretariat, coordinating these efforts and overseeing GDRN's growing role in supporting the nation and its people.

► Hasanah works with on-ground disaster relief partners to expedite aid in areas affected by flash floods

In 2022, Hasanah also allocated RM2.19 million for its humanitarian disaster relief efforts, providing aid such as food baskets, post-flood hygiene kits, maternity and childcare support packs, medication, school uniforms and repair works.
